

## Disclosure to Prospective Massachusetts Students

Prospective students who are residents of Massachusetts: In order to complete your enrollment at Walden, you are required to review the following disclosures, sign and return them to your Enrollment Advisor at least 72 hours prior to accepting Walden’s offer of admission.

### **COST OF PROGRAM**

The following chart represents the tuition and fees charged for completing a program, including the typical cost for books and supplies, by degree level. In programs that contain a residency or field experience requirement, the cost of transportation is not included.

<b>Program Cost Range by Degree Level<sup>1</sup></b>	
Degree Level	Cost
Walden Overall	\$6,267 - \$152,795
Bachelors	\$18,800 - \$66,647
EdS and Masters	\$12,083 - \$67,900
Certificate	\$6,267 - \$18,565
Doctoral <sup>2</sup>	\$33,105-\$152,795

### **GRADUATION RATE AND GRADUATION TIME**

Massachusetts law defines “Graduation Rate” as the number of students who received certificates or degrees in their program during the last two calendar years, divided by the number of students who enrolled in the same program during the latest two calendar years. Please note that the number of enrolled students used to calculate “Graduation Rate” under Massachusetts law includes students who are at the start of their program and have not yet completed what is required to graduate.

Massachusetts law defines “Graduation Time” as Median Completion Time. “Median Completion Time” is the median duration of attendance in months, rounded to the nearest month, of all students who obtain a certificate, diploma, or degree from a program during the latest two calendar years.

The following chart represents the 2017-18 Graduation Rate and Graduation Time, as defined by Massachusetts law, for Walden programs with Massachusetts graduates and students during the applicable reporting period. Programs with no Massachusetts graduates or students for the required time period are not listed.

---

<sup>1</sup> Cost for non-doctoral degree levels is based on minimum completion time unless the median completion time in academic year 2017-18 exceeds the minimum, in which case cost is based on the median. Cost is not an estimate of individual experience and will vary based on factors including but not limited to: individual progress, part-time vs. full-time enrollment, credits transferred, changing specializations, unsuccessful course completion, tuition increase, leaves of absence, using external data for doctoral study/dissertation, job obligations or other personal circumstances.

<sup>2</sup> Cost for doctoral degrees is a range based on completion of minimum degree requirements to completion in maximum 8-year timeframe. Cost will be higher if students petition to extend the 8-year maximum timeframe or choose to take more expensive elective courses.

Doctor of Education	0	8	0.0%	NA
Doctor of Healthcare Administration	0	4	0.0%	NA
Doctor of Information Technology	0	4	0.0%	NA
Doctor of Nursing Practice	2	11	18.2%	25
Doctor of Psychology (PsyD) in Behavioral Health Leadership	0	1	0.0%	NA
Doctor of Public Administration	0	2	0.0%	NA
Doctor of Public Health	0	1	0.0%	NA
Doctor of Social Work	0	5	0.0%	NA
EdS in Curriculum, Instruction, and Assessment	0	0	NA	NA
EdS in Early Childhood Education	1	1	100.0%	26

<sup>3</sup> Students may have completed / enrolled in more than one program during each calendar year. Therefore, the data provided should not be interpreted as unduplicated headcount completions / enrollment.

<sup>4</sup> Graduation Rate is the number of Massachusetts students who received certificates, diplomas, or degrees in the program during the latest two calendar years, divided by the number of Massachusetts students who enrolled in the program during the latest two calendar years.

<sup>5</sup> Graduation Time is the median duration of attendance in months, rounded to the nearest month, of all Massachusetts students who obtained a certificate, diploma, or degree from a program during the last two calendar years. Time in program does not account for program changes or coursework that can transfer between programs.

## **YOUR LOAN DEBT**

You must repay money that you borrow as student loans to pay for this program, including interest. You must repay any portion of the money you borrow to pay for this program, even if you fail to complete or dropout of the program. Failure to repay student loans is likely to have a serious negative effect on your credit, future earnings, and your ability to obtain future student loans.

## **LOAN NONPAYMENT STATISTICS**

50.7% of Walden students defaulted on, or failed to repay, their loans during the period 2014-2015. Massachusetts regulations require Walden to include in this calculation students who are in deferral and forbearance, and may not currently be required to repay their loans. Students in deferral and forbearance are not in default per federal financial aid guidelines. Walden believes that its 3-year federal cohort default rate (the number of students who have defaulted on, or failed to repay, their loans) of 7.3% for the period 2014-2015 is a more accurate representation of its student loan repayment rate than the calculation required under Massachusetts regulations.

## **PLACEMENT RATES AND EMPLOYMENT STATISTICS**

Massachusetts regulations require that a school who offers any occupational programs must disclose the graduation placement rate of graduates during the last two calendar years who obtained full time, non-temporary jobs in their field of study, and total placement rate of students that enrolled in the program during the last two calendar years who obtained full time, non-temporary jobs in their field of study. Walden has not tracked and is not required by its accreditor, the Higher Learning Commission, to track such rates. More than 86% of Walden's students are in graduate degree programs, and 77% of our students are already working full time at the time of their enrollment in the university (the majority in their field of study).<sup>6</sup>

---

<sup>6</sup> Based on responses to Walden's 2018 Student Satisfaction Survey.
