

St. Joseph School of Nursing Articulation Guide

This articulation agreement is between St. Joseph School of Nursing and Walden University.

St. Joseph School of Nursing students who successfully complete the courses indicated in the tables below with a grade of C or better *and* meet the requirements for admission to Walden's Bachelor of Science in Nursing (BSN) Completion Program or the RN-BSN-MSN program may receive credit toward their BSN program. **All credits will be converted to the equivalent value for Walden credit.**

Important Note: Courses indicated on these tables will be fulfilled, but there may be outstanding credit. Walden requires that 45 of the last 90 quarter credits earned for a bachelor's degree be earned at Walden University. Transfer of credit is subject to change based on curriculum updates by academic leadership.

Recommended St. Joseph Program: A.S. in Nursing
Recommended Walden Program: Bachelor of Science in Nursing (BSN) Completion Program OR RN-BSN-MSN Program
 Total Minimum Credits Required: 181 quarter credits

Courses transferred in to Walden are subject to Transfer of Credit policies including the conversion of semester to quarter credit (1; 1.5) and grade requirements. Students may have credits to make up in their general elective requirement if courses transfer in for less than 5 quarter credit hours. Concentrations may have specific program requirements. Additional information on course transferability, minimum upper level course requirements, and additional program requirements can be found in the Walden Student Handbook.

Undergraduate Transfer of Credit Policy Revision Courses that equate to a General Education or Program Specific course will now come into the General Elective area as the Walden equivalent. Courses that are only General Elective and do not equate to a General Education or Program Specific course will remain in transfer at face value.
