

## St. Francis Medical Center Articulation Guide

**This articulation agreement is between St. Francis Medical Center and Walden University.**

St. Francis Medical Center students who successfully complete the courses indicated in the tables below, at St. Francis Medical Center and its cooperating partner, Mercer County Community College (MCCC), with a grade of *C* or better *and* meet the requirements for admission to Walden’s Bachelor of Science in Nursing (BSN) Completion Program or the RN-BSN-MSN program may receive credit toward their respective degree program. **All credits will be converted to the equivalent value for Walden credit.**

***Important Note:** Courses indicated on these tables will be fulfilled, but there may be outstanding credit. Walden requires that 45 of the last 90 quarter credits earned for a bachelor’s degree be earned at Walden University. Transfer of credit is subject to change based on curriculum updates by academic leadership.*

**Recommended St. Francis Medical Center Program:** Diploma in Nursing  
**Recommended Walden Programs:** Bachelor of Science in Nursing (BSN) Completion Program **OR** RN-BSN-MSN Program  
 Total Minimum Credits Required: 180 quarter credits

Courses transferred in to Walden are subject to Transfer of Credit policies including the conversion of semester to quarter credit (1; 1.5) and grade requirements. Students may have credits to make up in their general elective requirement if courses transfer in for less than 5 quarter credit hours.

Undergraduate Transfer of Credit Policy Revision Courses that equate to a General Education or Program Specific course will now come into the General Elective area as the Walden equivalent. Courses that are only General Elective and do not equate to a General Education or Program Specific course will remain in transfer at face value.
