2016-2017 SNAP Benefits Verification Form – Dependent Student

Did you or a member of your parent’s household receive benefits from the Supplemental Nutrition Assistance Program (SNAP) sometime during 2014 or 2015? SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

- YES
- NO

The parent’s household includes:

- The student.
- The parents (including a stepparent) even if the student doesn’t live with the parents.
- The parent’s other children if the parents will provide more than half of the child’s support from July 1, 2016, through June 30, 2017, or if the other children would be required to provide parental information if they were completing a FAFSA for 2016-2017. Include children who meet either of these standards even if the child does not live with the parents (do not include foster children or children in U.S. military service academies).
- Other people if they now live with the parents and the parents provide more than half of the other person’s support and will continue to provide more than half of that person’s support through June 30, 2017.

NOTE: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2014 or 2015.
